

Lumberjack Program

Invite Tossin' Tommy into your classroom and learn what life was like in logging camps and how lumberjacks influenced Wisconsin's history.

During the second part of the program students will head outside to test their lumberjack skills. They will have the opportunity to cut a log using a crosscut saw, toss a frying pan and try to light a match with an axe as well as experiment with some lumberjack tools.

This program compliments the 4th grade history curriculum.

Cost: \$2.90 per student, plus .40 per mile.

For more information or to invite Tossin' Tommy into your classroom, contact Camp Y-Koda at

(920) 467-6882, or email us at campykoda@sheboygancountymca.org.
