

Teambuilding at Your School...

Our teambuilding experiences will get your students off to the right start, and save money on busing too! We will travel right to your school for a two hour session of teambuilding.

Teambuilding improves communication within the classroom, provides students with skills for problem solving, and helps students to build meaningful relationships with one another creating a positive classroom climate. This affordable experience is a great way to start off the school year!

TWO HOUR SESSION

\$5.00 per Student
